Agency Overview and Organization

Correctional Industries, a self-sustaining work program, produces products and services for sale, at fair market prices, to the District, federal and local governments, and non-profit organizations. Inmates are paid through revenues generated by these sales, and all profits are reimbursable to the General Fund.

Correctional Industries Fund is comprised of the following service areas:

- Production shops, which include a print shop, clothing shop, metal and tag manufacturing shop, furniture repair and upholstery shop, Metro shop that repairs seats and backs, and a dairy farm;
- Service shops, which include a laundry, landscaping, maintenance, and a warehouse unit;
- Support areas, which include accounting, budget, procurement, and shop clerks; and
- Administrative offices, which include executive offices, marketing, quality assurance and inmate counseling.

FY 2001 Proposed Operating Budget

The Correctional Industries Fund's Operating Budget is composed of two categories: (1) Personal Services (PS), and (2) Nonpersonal Services (NPS).

Within the PS budget category are several object classes of expenditure such as regular pay, other pay, additional gross pay, and fringe benefits. Within the NPS budget category are several object classes of expenditure such as supplies and materials, utilities, communications, rent, other services and charges, contractual services, subsidies and transfers, equipment and equipment rental, and debt service.

Authorized spending levels present the dollars and related full-time equivalents (FTE) by revenue type. Revenue types include: Local (tax and non-tax revenue not earmarked for a particular purpose); Federal (revenue provided by the federal government to support federally established programs or grants for particular purpose); Private and Other (charitable contributions and fees from fines, etc); and Intra-District (payments for services provided by one District agency to another District agency).
